Chalet camp | Tosca North West | South Africa

Chalet camp.

Facilitates a more luxurious stay in the outskirts of the Kalahari. Sleeping 14 visitors in 7 chalets (4 stand alone, 3 joined) measuring at 18m²; each sleeping 2 adults. All chalets and facilities are fully furnished with amenities for a luxurious stay,

A selection of open air or Boma barbecue areas exists with ample wood supplied - of which the main houses one of the kitchenettes furnished with fire place dining area, pool table, gun safe and its own lavatory and more...

A communal Martini chair swimming pool is just what is needed to cool off in the summer time that brings me to the climate for the area that is very hot in summer & very cold in winter. The chalet camp is designed with privacy and luxury in mind. Cell phone coverage for Vodacom is good (2G/3G), other cell operators has scattered or poor reception on property. Zebra lodge, reception, has a signal booster and Wi-Fi that can be used for transactional purposes and emergencies.
